CMI Syndication Report Request

These monthly reports focus on listing the members that are active under you, with the date and amount of their last purchase.

This is a helpful tool to understand your commissions and bonuses. It also is good to share with the members in your syndication so all of you can understand everyone's activity and perhaps determine where problems exist in your sales & support.

Reports cost $2 for the first page, $1 for each page thereafter. Most members receive only 1 page a month due to the small amount of memberships below them. You can limit the referrals list if your report is getting too long. If you wish to limit that, give us a call.

To apply, send us a deposit; **at least a $10 deposit for <u>each</u> program is requested**. You will receive your syndication report with a memo stating what remains of your deposit. <u>These reports are processed once a month</u>. Each program type is processed <u>separately</u> during the month.

Program type: Check as applicable:

Stage 1_____$10 Stage 2_____$10 Ultimate Financial (UFP) _____$10 Ultimate Benefit (UBP) ____$10

Do you want this **emailed**? _____OR **mailed**? _____ Check ONE Only
